### AT THE RISING OF THE SUN

*by Rabbis Sylvan Kamens & Jack Riemer*

*Leader:* At the rising of the sun and at its going down,

***All: We remember them.***

*Leader:* At the blowing of the wind and in all the chill of winter,

***All: We remember them.***

*Leader:* At the opening of the buds and in the rebirth of spring,

***All: We remember them.***

*Leader:* At the shining of the sun and in the warmth of summer,

***All: We remember them.***

*Leader:* At the rustling of the leaves and in the beauty of autumn,

***All: We remember them.***

*Leader:* At the beginning of the year and at its end,

***All: We remember them. As long as we live, they too will live;***

***For they are now a part of us, as we remember them.***

*Leader:* When we are weary and in need of strength,

***All: We remember them.***

*Leader:* When we are lost and sick at heart,

***All: We remember them.***

*Leader:* When we have joy we crave to share,

***All: We remember them.***

*Leader:* When we have decisions that are difficult to make,

***All: We remember them.***

*Leader:* When we have achievements that are based on theirs,

***All: We remember them.***

*Leader:* When we fulfill their dreams, and our own,

***All: We remember them. As long as we live, they too will live;***

***For they are now a part of us, as we remember them.***
